Subject: Gainful Employment Electronic Announcement #115 – Reminder: Confirming Final Submission of GE Completers List Corrections by June 13, 2018

The final day for institutions to submit corrections to their Draft Gainful Employment (GE) Completers Lists using the [National Student Loan Data System \(NSLDS\) Professional Access](#) website is **Wednesday, June 13, 2018**. The GE Completers List corrections submission process will be available until 11:59 p.m. Eastern time (ET) on June 13, 2018. After this time, the corrections submission process will no longer be available. If an institution has not yet reviewed the information on its Draft GE Completers List and has not yet submitted necessary corrections to the data, the institution should take immediate action to meet the June 13, 2018 deadline.

Note: If the institution has reviewed its Draft GE Completers List and determined that no corrections are necessary, no institutional action is required.

Confirming Final Submission of Completers List Corrections

It is important to note that all Draft GE Completers List corrections must be **submitted** and **confirmed** on the [NSLDS Professional Access](#) website by 11:59 p.m. ET on June 13, 2018 in order to be considered by the Department. For all corrections, both the “Submit” and “Confirm” buttons must be clicked, to complete the corrections submission process; otherwise, the corrections will be lost.

To ensure all corrections are submitted to the Department properly, follow these steps:

1. Access the **Submit Draft Gainful Employment Completers List** page on the GE tab of the [NSLDS Professional Access](#) website. Each GE Program with at least one record that the institution has requested to have corrected will appear in a list on this page. Additionally, if an institution has added new GE student records to a GE Program, that program will also appear in this list.

2. When the institution is ready to submit the corrections for each program to the Department, select the checkbox next to the program(s) and click the **Submit** button.
3. Once the corrections have been submitted, the following message will appear: "Once you Confirm, additional changes cannot be made to the program(s) selected."
4. To complete the final submission to the Department, click **Confirm**.
5. Once the submitted corrections have been confirmed, the following message will appear: "Successfully updated."

Detailed instructions for submitting Draft GE Completers List corrections can be found in Chapter 6 of the March 2018 update to the [NSLDS Gainful Employment User Guide](#).
