Subject: Notification of Campus-Based Funding for the 2018–19 Award Year

We have posted a report that notifies the community of the approved awards for the Federal Supplemental Educational Opportunity Grant (FSEOG) and Federal Work-Study (FWS) programs for the 2018–19 Award Year. To access this report, refer to the document titled, "[Notification of Campus-Based Funding for the 2018–19 Award Year](#)," posted on the Campus-Based Awards page of the Information for Financial Aid Professionals (IFAP) website.

This report includes the OPEID, name, address, state code (two-letter postal code), and federal funds for the FSEOG and FWS programs as of April 18, 2018. The report is available in two formats, Portable Document Format (PDF) and Microsoft Excel format.

Note: In some cases, a school became eligible for awards after the report was produced and therefore is not reflected in this notification. Additionally, the Perkins Loan Extension Act of 2015 amended section 461 of the Higher Education Act of 1965 (HEA) prohibiting schools from making additional Perkins loans beyond the 2017–18 Award Year. For the 2018–19 year, schools did not receive an authorization for a 2018–19 level of expenditure (LOE).
